

## CONIK LED White wall lamp

Ref. 64219

CONIK is a set of linear wall and pendant lamps designed by Alex & Manel Lluscà. Made of aluminium with PMMA diffuser, it presents two finishes: white or aluminium. The light source is 8W LED and warm light, integrated in the luminaire. These lamps of modern design and refined lines are both technical and decorative. The LED wall lamp has a double functionality, up as ambient light or down as if it were a picture wall lamp.
