

NIKO is a table lamp designed by Nahtrang with charger for wire - less mobile. Its structure has a wooden charger without cables and a USB port. The light source is adjustable (6,6W - 3,3W - 0,33W) and thanks to its switch on the base its use is very intuitive. It has a Nordic design with dual functionality, NIKO is made with PC diffuser and designed to illuminate bedrooms and living rooms.

## General characteristics

|             |           |
|-------------|-----------|
| Fixation    | Table     |
| Type        | II        |
| IP          | 20        |
| voltage     | 100V-240V |
| Hertz       | 50/60Hz   |
| Switch type | Touch     |
| Power       | 7W        |

## Material

|                |                |
|----------------|----------------|
| Body/Structure | Aluminium+Wood |
| Diffuser       | PC             |

## Finish

|                |            |
|----------------|------------|
| Body/Structure | Matt White |
| Diffuser       | Opal       |

## Lighting characteristics

|                       |                               |
|-----------------------|-------------------------------|
| Light source included | Si                            |
| Temperature           | 3000K                         |
| LM                    | 500lm                         |
| CRI                   | >80                           |
| Dimmable light source | YES                           |
| Intensities           | 1w 80Lm / 4w 250Lm / 7w 500Lm |
| Light direction       | Ambient lighting              |

## Driver

|                 |     |
|-----------------|-----|
| Requires Driver | Yes |
| Driver embedded | Yes |

## File download

|              |            |
